Dear Sir:

In response to the Notice of Non-Compliant Amendment of April 4, 2005,  
Applicants respectfully state that Applicants submitted a complete listing of claims in  
Applicants' Preliminary Amendment and Response to Restriction Requirement, filed

Application No.: 10/734,086  
Reply to Communication of April 4, 2005

March 2, 2005. Please note that there were total of 19 pages of the Preliminary Amendment and Response submitted. However, it appears that pages 3-5, listing claims 1-23, of the Applicants' Amendment and Response were misplaced. Accordingly, to further the prosecution, Applicants are providing the Patent Office with previously submitted pages 3-16, including the complete listing of claims 1-110, of the Applicants' Amendment and Response to Restriction Requirement of March 2, 2005.

Applicants respectfully submit that the present application is now in condition for examination.

Respectfully submitted,

Dated: April 8, 2005
